Re: Sanitary Landfill Company (IWD) Site  
1855 Cardington Rd., Montgomery County, Moraine, Ohio

Dear Ms. Manco:

In a letter from the U. S. EPA dated July 14, 1987 we were requested to provide you with information concerning the above site. The purpose of this letter is to inform you that the information, data and/or documents requested pertaining to hazardous substances are not available nor have they ever been available.

Sincerely,

Timothy L. White  
President

7/28/87 I called Mr. White to find out if documents existed and were not accessible, or if documents were non-existent. He said the documents do not exist - they have a contract with IWD to pick up their refuse.
